Service Day

By: Greg Nakashima
Family Groups Moderator

On Friday, March 29th, students and teachers participated in the 3rd consecutive Service Day via Family Groups. Each Family Group includes a teacher and 15 students from the various four grades. Family Groups meet every month to connect, talk about various life topics and to build community. This month's focus was about living in the Dominican tradition of service. Each group chose a community organization, planned the service, and shared in the experience of volunteering.

The Service Day locations ranged from police stations, elderly care centers, and picking up trash in the neighborhood. Service Day is a rewarding event as the students realize the powerful impact a group can have in the immediate community and the city.

We look forward to next year's event.

Women's Leadership Conference

By: Abigail Aguirre '19

During the month of March, four students were selected to attend the Young Women's Leadership Conference at the Stanley Mosk Courthouse in Downtown Los Angeles. The group started the day with several presentations from women leaders in the world of law and government. Students heard from rehabilitation officers, lawyers, federal court judges, and members of the Los Angeles City Council. All the stories were different in their own way but were all telling of their resilience, strength, and determination.

The experience concluded by being invited to observe a law class at the Loyola Marymount University School of Law!

Phonathon 2019

Pledges and gifts are being totaled. Thank you to

all who have mailed in your checks or fulfilled your pledge through our [website](#).

Your generosity supports our young women in breaking down the barriers that have historically impeded their opportunities to succeed. This year alone, we awarded over \$1,300,000 in **scholarship** funds. The opportunity to receive a strong Catholic education has been proven to translate into positive economic and social change for their immediate family and community, which will influence generations to come.

Reminder:

All of your gifts towards Phonathon this year are being matched by an anonymous donor. So whatever your gift, it just doubled!

You don't have to wait to receive an email reminder for your pledge.
