

# SACRED HEART HIGH SCHOOL

C O L L E G E P R E P A R A T O R Y

August 28, 2020

Dear Comet:

From our house to your house, we at Sacred Heart High School pray that you are well and staying safe. Although it seems that this year has been an historically challenging year, together we will see it through. With hope, encouragement, love, and God's presence, we will survive.

To the Class of 1960:

Sadly, we lost a wonderful and generous Comet in the passing of **Margaret Espinosa Arreola**. She was very dedicated to the Alumnae Association and to Sacred Heart High School students. She served on the Board for many years both as a member and Vice President. We saw her devotion and love at all the Alumnae functions as she cheerfully greeted everyone, especially at the sign-in table. She always had a smile and "how are you?" for everyone. Her laughter was contagious. Her concern for helping students was admirable. We witnessed her devotion to her class in how she stayed in touch with everyone either through the Annual Phonathon, invitation to dine at Mimi's to celebrate each year of graduation, or a call just to say "hello." She is sorely missed

In conjunction with the Alumnae Board, we had planned to have a Memorial Service for **Margaret**. However, other circumstances came about that made it almost impossible to organize a Memorial to honor **Margaret**. However, two very devoted Comets, **Teri Chavez '52** and **Marietta Watkins HA** put their heads together and created a beautiful Memorial Booklet of Margaret's life. (enclosed) This special booklet has been sent to you in celebration of the 60<sup>th</sup> Anniversary of your class. Please enjoy it and celebrate Margaret's life. We thank everyone who contributed to this booklet.

To honor Margaret's memory, the SHHS Alumnae Association is creating a SHHS Alumnae Association Scholarship Fund, which has been approved by the SHHS Advancement Office. Donations in Margaret's name, any size, will be appreciated and become the foundation of this scholarship fund. This continues to make it possible for a young woman to obtain the same Catholic Dominican education you all received.

I thank you for your continued support to your Alma Mater. I especially thank **Angela Cornejo Guzman '86** President of the SHHS Alumnae Association, all Board members, **Teri Chavez '52** and **Marietta Watkins HA**. Your example of the power of Comets has come through for 113 years. VERITAS!

Sincerely,

Raymond Saborio  
Principal
