

*Join our Birthday Celebration!!!*

## 109 Years of Educating and Empowering Women

Originally known as Sacred Heart Academy, Sacred Heart High School was one of the first Catholic girls' high schools in the Archdiocese of Los Angeles. In 1907 the Dominican Sisters of Mission San Jose added a high school department to the elementary school. **Sacred Heart Academy/High School was born on September 10, 1907** with a student body of twenty-seven.

Today the student body is approximately 250 students. Our students not only graduate, but continue their higher education by obtaining Bachelor Degrees from colleges and universities in Southern California and across the country. Many of our Comet Alumnae earn Masters and PhDs.

At 109 years, Sacred Heart High School continues to empower young women as it offers opportunities for them to continue to live in the Dominican Tradition of faith, truth and service.

***You are invited to join us as we celebrate our 109th Birthday during one of several events!***
